Greetings from Washington state, USA-I have spent many happy hours searching through the Lee CD. It is easy to navigate and the index is great. It's fun following the history of the local names through the births, marriages and deaths recorded. Unfortunately, I am searching for my Plaistowe ancestors and most of them are not listed in the Lee parish records even though my great-grandmother was born there. Her mother is listed in the Lee buriels so at least that's one found.
