The Lacey Green Parish Registers CD is excellent value for money and very user friendly. It has enabled me to fill in the gaps in the very extensive WILLIAMS family where previously I had only been able to use the few entries on the Princes Risborough St Mary fiche. I am also lucky enough to have a copy of " Against all Odds" which, amongst other things, is a transcription of the Lacey Green school log 1850 - 1930, by Joan West, so I am looking forward to using the two together
