From Jean Boulter on 19/2/2008

A brilliant account of the Oving registers. Easily readable, full of information, well set out.

Excellent value for money, very pleased with the outcome. I have been able to find and fit in many more people into our family tree, I cannot over estimate how useful it has been, well done to the local people who have taken the time to do this, thank you

Looking forward to the Weston Turville register, which I understand will be released shortly.
